

This release form protects both The Spiritual Forum, Inc. and its participants and clarifies the expectations and relationship between us.

The release form basically states that:

1. We can use your name and the recording of your part of the conversation in the podcast and other projects (including using excerpts for promotional purposes). Rev. Carol will make a point to use only your first name, although sometimes participants refer to each other by first and last name.
2. We can use your image. Although we do not expect to use it for the podcast, we might use it for our website.
3. We can edit the recording as needed without getting approval from you (we want everyone to sound good!).
4. Spiritual Forum participants are not getting paid.
5. The Spiritual Forum will not be liable if you say something that breaks the law. For example, if you claim to have written the Star Wars saga, The Spiritual Forum will not be responsible for copyright infringement.
